ABSTRACT

A pressure-sensitive adhesive tape made of a flat support material provided with a pressure sensitive adhesive comprising a polymer formed from a monomer mixture of acrylic acid ester and/or methyl acrylic acid ester or free acids thereof of the formula $CH_2=CH(R_1)(COOR_2)$, acrylic acid ester and/or methyl acrylic acid ester having the formula $CH_2=CH(R_3)(COOR_4)$ and acrylic aid ester and/or methyl acrylic acid ester having the formula $CH_2=CH(R_3)(COOR_5)$.
